I did it! I bought an imported car! It's tiny, and it's cool. I was going wicked fast down this dirt road through the local rice fields, and whooooooooah! The local police guy got me. Bummer. Yeah, but I'm so busy, I never get to ride the thing anyway. I just look at that little beauty and say "eh heh heh..." Yes! Fun. And sad.

—Akira Toriyama, 1983
